**WELCOME TO ST. HELEN'S CATHOLIC PRIMARY SCHOOL**  
***Croeso / Ysgol Gynradd Gatholig Santes Helen***

Dear Parents,

The Governing Body, staff and pupils welcome you to St. Helen's Catholic Primary School. St. Helen's is an English medium, voluntary aided school in Barry, Vale of Glamorgan.

We believe that within our school we have created a caring and inclusive community where all children, parents and staff are valued, encouraged to develop to their full potential and happy to be part of our school.

We aim to develop as a caring community of learners. Our work is firmly grounded in a collegiate vision which puts children first, providing conditions and experiences which promote the highest possible standards, allowing each and every child to develop personally, intellectually, emotionally and socially and supporting them to become successful learners, confident individuals, effective contributors and responsible citizens.

We believe it is important that as a parent/guardian you feel welcome in the school. Education is a partnership between home and school with a shared responsibility based on trust and mutual understanding. The co-operation and participation of parents with our school in the education of your child is positively encouraged. A good relationship between school and home builds a child's confidence, aids their learning and helps them to fulfil their potential in all areas.

We operate an 'open door' policy, where parents are always made welcome and listened to.

Please contact us at any time and a member of our team will be happy to help you.

[Type here]

## Virtues

Our school is in the process of developing the 'St. Helen's Pupil Profile', along with the Archdiocese of Cardiff.

The Pupil Profile is composed of 8 pairs of virtues that sum up what pupils and staff in our Catholic Schools should be living and how they should be learning.

- Grateful and Generous
- Attentive and Discerning
- Compassionate and Loving
- Faith-filled and Hopeful
- Intentional and Prophetic
- Eloquent and Truthful
- Learned and Wise
- Curious and Active

It is our hope that we can support the children of St. Helen's, in partnership with the home and the Parish, to show these qualities in their work and play and to grow in understanding of their faith and themselves through reflection, prayer, discussion, academic work and collective worship.

## **Safeguarding**

At St. Helen's we are committed to providing the highest level of safeguarding for every child. Policies to ensure this include:

- Safeguarding and Child protection
- Safer Recruitment
- Health and Safety;
- Equality.

Copies are available on request.

## **Child Protection**

As a caring school with direct responsibility for children, our first concern is the welfare of the child. Every child matters. If you wish to discuss anything related to safeguarding or have concerns regarding child protection at St. Helen's Catholic Primary School, the contact details of the designated officers are available from the main Office.

It is a legal requirement that each school should have a named school Child Protection Co-ordinator. The DSP Officers are Mrs Kathy Giernalczyk and Mrs Michelle Clawson. Mrs K. Galsworthy and Mrs S. Duffy are the Deputy DSPs. The Link Governor for child protection is Councillor Fred Johnson.

The school has a legal obligation to contact other agencies where there are child protection concerns. It is the duty of the Governing Body to ensure that the appropriate procedures are in place for the protection of children from abuse.

All matters concerning child protection issues are dealt with strictly on a need to know basis and are treated with the utmost confidentiality.

## **Equal Opportunities**

We believe that everyone has the right to equality of opportunity and should be free from all forms of discrimination.

We recognise the right of equality of opportunity for all individuals including pupils and staff, irrespective of their gender, colour, culture, race, ability, disability, age or religious observances. We view this policy as an integral part of our whole school approach. It is reflected in the way other

[Type here]

policies are planned and implemented. A copy of the policy approved by Governors is available from the school office.

The aims of our rationale include:

- To ensure that diversity is celebrated and welcomed;
- To ensure that all children have equal access to all curricular areas and all available resources;
- To ensure that all amenities / facilities do not deny equal opportunities;
- To ensure that everyone is valued and has a right to both personal and professional development;
- To ensure that everyone is able to identify unacceptable behaviour and given strategies for dealing with different situations;
- To ensure that everyone is aware of their responsibilities in implementing this policy.

### **Home School Agreement**

St. Helen's Catholic Primary School requires parents and pupils to sign a Home School Partnership Agreement, although there is no longer a legal requirement to schools to have one in place. As a school community, along with the Governing Body, we believe that it is an important process which promotes and develops the positive partnership between home and school.

### **Attendance**

Attendance and punctuality are extremely important for each child to gain the maximum benefit from their education. This is a very close link between attendance and achievement,

Under current Education Regulations, it is the responsibility of the parents / carers/ guardians to ensure that the maximum full time education, as is possible, is given to their child.

It is essential that parents contact the school on the first day of their child's absence. Unknown absences will generate text messages to parents on their first day absence.

As schools, we must distinguish between absences which are unavoidable due to illness, or other special circumstances that the school accepts as reasonable, and for absences for which the school feels that an adequate explanation has not been supplied.

School policy on absence can be summarised as follows:

- the maximum attendance possible is most important to the development of the child;
- it is for the parents/carers/guardians to ensure that their child arrives in school on time and in a fit condition to learn;
- registers are taken twice daily am and pm;
- parents/carers/guardians must contact school on the first day of absence before 915am, notifying school as to the nature and likely duration of the absence;
- if your child has been absent for 3 or more days, a telephone call or note in the diary on their return is required to authorise the absence;
- the school has the right to record absence as unauthorised if the school feels insufficient explanation has been provided with regard to absence.

## Attendance Figures 2017/18 Compulsory School Age

Attendance 95%  
Authorised 3.2%  
Unauthorised 1.8%

Attendance Target 2017-18 **96.1%**. Please help us to achieve this target.

### **Learning and the Curriculum**

At St. Helen's Catholic Primary School we believe in lifelong learning and the idea that adults and children learn new things every day. We believe that learning should be a rewarding and enjoyable experience for everyone; it should be fun. Through our teaching we equip children with the skills, knowledge and understanding necessary to be able to make informed choices about the important things in their lives. We believe that appropriate teaching and learning experiences help children and adults to lead happy and rewarding lives.

The Foundation Phase is the curriculum for 3 to 7 year olds in Wales. The Foundation Phase places great emphasis on children learning by doing. We believe young children should be given more opportunities to gain first hand experiences through play and active involvement. We want them to understand how things work and to find different ways to solve problems. The Foundation Phase curriculum is broad, balanced, relevant and differentiated to meet the developmental needs of all children.

The Foundation Phase requirements apply to children starting school in Nursery and of statutory school age; from the academic year of the child's fifth birthday (Reception) until the end of year two.

Children in our Nursery, Reception, Year 1 and 2 classes learn across the areas of the Foundation Phase Curriculum for 3 – 7 year olds. Children's outcomes are assessed and reported across three\* of these headings at the end of the Foundation Phase. Children's progress is continually tracked across all seven areas.

These are:

- Personal and Social Development, Wellbeing and Cultural Diversity
- Language, Literacy and Communication
- Mathematical Development
- Knowledge and Understanding of the World
- Physical Development
- Creative Development
- Welsh Language Development

In Key Stage 2, children are assessed and reported across the three core subjects of English, Maths and Science and additionally on Welsh second language. Each term the children engage in learning through a different topic as a means of developing their geographical, historical, design, art, musical, enquiry, independent, collaborative, presenting and ICT skills. Religious Education and Physical Education are taught as discrete subjects.

At St. Helen's a variety of teaching methods are used, and at various times during the week, children are taught:

[Type here]

- as a class;
- in groups, using an integrated approach to several areas of the curriculum;
- as individuals, where instruction is given on a one to one basis.

Within each class, the children are grouped according to a variety of criteria depending on the task or skills being taught – ranging from ability to friendship groups. Work is matched to the ability of the individual child. This allows children to make good progress at their own level.

### Religious Education

As a Catholic school, Religious Education is at the heart of all that we do. The Religious Education Scheme of Work we follow is 'Come and See'. At the centre of the programme is the mystery of God's self-revelation of love through Jesus Christ. 'Come and See' gives pupils the opportunity to explore the mystery of faith through scripture and tradition.

All children take part in a daily act of Christian Worship involving assemblies, Christian Meditation, class based liturgies and daily prayers.

Classes regularly attend Mass with the Parish on a Friday morning and Feast days are celebrated with Mass in school or in our Parish church. Families are invited to attend Class Led Liturgies and school Masses.

### Education in Personal and Loving Relationships (EPLR)

Sex Education and Relationships is covered by the use of the 'Journey in Love' programme, recommended by the Archdiocese of Cardiff. The importance of family relationships are emphasised, but the policy takes account of particular circumstances.

The creative and spiritual aspects of sexual relationships are emphasised along with the essential purpose at all times. At all times, the teachings of the Roman Catholic faith are emphasised. If you require further information on any aspect of school policy with regard to PSHE/EPLR, please contact either the Headteacher or the Religion Co-ordinator.

### Sporting Aims and Achievement

The children follow a full and varied programme of Physical Development to cover the requirements of the Foundation Phase and Key Stage 2; this includes Personal Development, Physical Play, Health, Fitness and Safety. At Key Stage 2, pupils build on these skills through a programme of Health, Fitness and Well-being, Creative and Competitive activities. Inter-school matches and after-school clubs enhance this provision. Through these activities we aim to develop the children's physical fitness and help them to learn and experience the skills of co-operation and teamwork through healthy eating. Pupils in Year 4 attend National Curriculum swimming lessons in the National Pool, Cardiff. Pupils in Year 5 have the opportunity to attend a residential outdoor activity centre in Llangrannog, Ceredigion.

## Use of the Welsh Language

Welsh is taught throughout the school providing progression for children developing Welsh as a second language. The scheme of work for Welsh is structured to allow children to speak Welsh as much as possible to provide them with the idea that Welsh is a living language. Welsh is also taught and part of school life on an incidental basis, in the format of greetings, commands and questions.

## **Additional Learning Needs**

At St. Helen's, we believe that every child has specific needs and because of this every child is treated as an individual.

If a child has a learning difficulty, which calls for differentiation or special education provision to be made for him or her, it is our aim to:

- recognise that special educational needs must be addressed
- recognise that there will be a continuance of needs and that provision will have to be made accordingly
- give children with special educational needs the greatest possible access to a broad and balanced curriculum within mainstream classes
- ensure a close liaison between parents of children with special educational needs and the agencies involved in the process i.e. the ALN co-ordinator, teachers and other agencies.

If your child is identified as having an area of Special Educational Need, you will be informed and will be invited into school to discuss how your child will be helped at school and how you can help at home. In the first instance of any concerns, please speak to your child's class teacher.

Detailed information on the school's Additional Learning Needs Policy is available on request.

## **Looked After Children**

Children and young people are 'looked after' if they have been taken into care by the local authority. Most 'looked after' children live with foster carers but a small number may be living with a relative. We ensure that all our 'looked after' children:

- take a full and active part in the life of the school;
- carers and social workers are kept fully informed of the child's progress and attainment;
- a Personal Education Plan (PEP) is in place and regularly reviewed.

The teacher with responsibility for Children who are Looked After is Mrs Michelle Clawson.

## **Breakfast Club**

The school runs a very successful breakfast club which runs from 8.10 to 8.30 am (FPh) and 8.10 to 8.45 am (KS2) Children are not allowed in before the start time as supervision cannot be guaranteed. The Welsh Government fully funds the club and there is no charge. However, only registered children can attend. Children who attend the Breakfast Club must receive a breakfast. Registration forms are available from the school office. Lots of games and activities that promote learning are provided. The school can refuse entry to any children on the grounds of unacceptable behaviour.

## **Lunchtime and Snacks**

### School Snacks

We are a Healthy Eating school and all children will be actively encouraged to eat fruit at break times. No crisps, biscuits or sweet snacks are allowed at break times.

We encourage children to drink water, throughout the day, with regular sips during lessons. We ask that parents purchase a school water bottle, available from the School Office, which can be filled with water and sent to school each day. There is a chilled water dispenser in each department.

### School Meals

A wide variety of hot and cold meals are available daily and eaten in the school hall. School menus are sent home.

The School Meals Service operates a 'Healthy Eating' policy, which is reflected in the menus offered.

Meals are paid for in advance via the secure ParentPay System. Cash and cheques are no longer accepted for payment of dinner money. St. Helen's operates a 'zero tolerance' policy on non-payment of dinner money.

Provision is made for children wishing to bring their own packed lunch to eat in the school hall. Packed lunch boxes are stored in a designated area. This area is not refrigerated so please consider the contents carefully. Plastic drink bottles only.

The amount the children eat is monitored by the dinner ladies. If any child appears to be wasting food or does not eat enough, this is brought to the attention of the class teacher. Parents may be contacted concerning this.

### Free School Meals

Free School Meals are provided for children of parents in receipt of Income Support, Income Based Job-Seekers Allowance or Child Tax Credit if not entitled to Working Tax Credit.

## **School Uniform**

[Type here]

We are proud of our school uniform. It gives us a sense of pride and belonging to our school community. The school colours are green and gold. Uniform is compulsory as we believe it fosters a sense of identity and pride in the school and its place in the community. Also, uniform can help to lessen the 'wear and tear' on other clothes. All garments must be clearly labelled with the pupil's name.

The school offers a range of options for uniform:

<b>GIRLS</b>
Green sweatshirt/cardigan with school logo
Gold polo shirt (also available with school logo)
Grey skirt or trousers
Black shoes / black trainer style shoes

<b>BOYS</b>
Green sweatshirt with school logo
Gold polo shirt (also available with school logo)
Grey trousers
Black shoes / black trainer style shoes

School uniform suppliers:

*A Class Apart, 9 The Parade, Dinas Powys, CF64 4NR. Tel: 029 2051 5722*

*Ruckleys, 98 Holton Road, Barry, CF63 4HJ. Tel: 01446 700006*

Due to space restrictions, parents are asked to provide their child with a small bag for packed lunches, sports/PE clothes etc.

Please mark all your child's clothes and belongings with their name.

### **Transport**

Free transport is provided for children travelling from out of Barry, beyond 2 miles from the school. Children living in Barry who wish to travel on this bus, may purchase a bus pass from the Civic Offices, Vale of Glamorgan.

For insurance purposes, only the children registered to travel on the bus are allowed to do so.

Details of school bus routes and timetables for children living in the rural Vale are available from the School Transport Department at the Vale of Glamorgan Council 01446 700111.

## **School Communication**

We see education as a partnership between home and school and greatly value the support of parents and place great importance on the contact between home and school. We will keep you well informed about your child's progress at school and contact you if we have any concerns.

Teachers are usually available for parents to speak to briefly at the beginning and end of the school day. Please appreciate that this is often a busy time and it may be preferable to make an appointment if the matter needs longer discussion.

If you wish to see the Headteacher and the matter is not urgent you may need to make an appointment. Urgent matters will of course be dealt with immediately.

You will receive a weekly newsletter from school containing information about general school life, events that have taken place that week and key dates to note in the diary. Please check your child's school bag REGULARLY for important letters or notes from school. Schoop alerts are sent out regularly to remind parents of key upcoming events. If you do not receive messages from school, please let us have your up to date mobile number and email address to ensure that this can be rectified. Our school website is also kept up to date and can be very useful in terms of emergency information.

Each child has a Home School Diary which may be used to communicate information. We ask that children are reminded to make staff aware of parents' entries in the diary.

## **Security**

All members of staff are vigilant in ensuring a happy, safe and secure environment for your child and whilst we operate a genuine open door policy we must adopt certain measures to ensure the security of all our pupils.

A number of measures have been adopted by the school to improve security in recent years.

An intercom system can be found on the doors of the main entrance preventing unauthorised access during the school day. Children are not allowed to open the doors to any adult, please do not ask them to let you enter the school building.

All visitors must report to the school office to present or collect an identification badge and to sign in and out of the visitor's book. This enables us to meet Health and Safety regulations and give due care to the safety and well-being of pupils in the school.

Visitors other than a known parent not wearing a visitors badge will be challenged.

Please remember, the school must be informed by letter or telephone if someone other than the regular person is to collect your child at the end of the day. Children will not be allowed out of school

with anyone other than the person who regularly collects them unless staff members are informed of the changes to normal routines.

It is the responsibility of the legal guardian to provide the school with any official documentation necessary to prevent a parent or other adult from collecting your child from school.

Please be aware that children playing in the school grounds after official school hours, 3.15pm (FPh) 3.30pm (KS2) will be unsupervised and do so at their own risk. It is the parent's responsibility to supervise the children at these times.

Please enter the school via the main door only. This is an entry phone door. You must not enter the school via any of the other entrances. Please expect to be politely challenged by various members of staff as to the reason for being in school. Do not take offence – your child's safety is important.

Please do not speak with your child or any other child over the fence adjoining Ty-Newydd Road. If you do, you will be challenged by a member of staff on duty. Please inform other persons who may be familiar to your child, but not to the school, that this practice is not encouraged.

The school has qualified first aiders. If you cannot be contacted and it is felt that your child requires urgent medical attention in hospital, the school will assume responsibilities until you can be contacted.

### **Complaints Procedure**

In the event of a suggestion, query or a complaint about the school or any of its staff we urge you to tell us about it as soon as possible. It is very difficult to investigate an incident or problem which happened some time ago.

Firstly try and speak to your child's teacher immediately before or at the end of the school day. If you do not feel satisfied or have a more serious concern please make an appointment with the Headteacher.

We will do all that we can to try and resolve matters but if you are still concerned or not satisfied with the response given by the teacher and/or Headteacher you can make a formal complaint in writing to the Governing Body.

### **Charging Policy**

Under the 1996 Education Act, the School has had to agree to a policy on charging for School activities. The Governing Body has drawn up a Policy Statement in which for any activity taking place within School hours, we will ask for a voluntary contribution from parents. No child can be excluded from the activity because their parent is unable or has decided not to pay. Parents will understand though, that unless sufficient contributions are received it might be impossible to proceed with the activity.

## **Families Investigating in St. Helen's**

All parents, carers, teaching and non-teaching members of staff of St. Helen's Catholic Primary School are members of FiSH.

FiSH was formed to provide parents and school staff with the opportunity to work in partnership to raise additional funds for school projects. FiSH actively works with members of the community to involve them in the life of the school.

We hold informal meetings throughout the year to discuss ideas for future fundraising and projects to invest money in. We are always looking for new ideas so please contact the school if you think you can help us.

How can I get involved?

The PTA relies on the involvement of parents and staff to support the school in fundraising projects. When a big event is being planned we have regular meetings and would like to see new people become involved and join us for coffee and biscuits at our meetings.

FiSH has a positive impact upon the learning and development of many children at St. Helen's and with continued support we can build upon our success.
