Introduction

Under the Safeguarding Children Agenda, our school recognises that a Safeguarding Policy requires a broader view than that of the traditional child protection policy. The *Safeguarding Children in Education* model Child Protection Policy has been incorporated into this Policy. Therefore a number of elements that would previously not have been within a child protection policy have been incorporated. However, the aim of this document is the protection and welfare of children.

Through our Catholic ethos “Together we Believe † Achieve and Succeed” we all have a responsibility to help those in our school community to be safe and happy. We do this by fostering a culture of respect and care for each other whether staff or pupil and thus safeguarding the wellbeing of every member of the community.

The underpinning policy principles ensure that the health, safety and welfare of all our children are of paramount importance to all the adults who work in our school. Our children have the right to protection, regardless of age, gender, race, culture, religion or disability. They have a right to be safe in our school. It is the responsibility of ALL staff to act upon any suspicion or disclosure that may suggest a child is at risk of harm.

At the outset, it is critical that definitions of the terms used within this policy are clarified. Appendix A includes definitions and concepts taken from the Safeguarding Children: *Working Together Under the Children Act 2004* and are included here for ease of reference and to ensure that common terminology is used to assist in work undertaken between partners.

Legislation forms the basis for this Policy and the Vale of Glamorgan Safeguarding & Child Protection Policies. The following list is taken from the Vale of Glamorgan Policy:

Our aims are:

- to provide a safe environment for children in which to learn;
- to establish what actions the school can take to ensure that children remain safe at home as well as at school;
- to raise the awareness of all staff to these issues, and to define their roles and responsibilities in reporting possible cases of abuse;
- to identify children who are suffering, or likely to suffer, significant harm;
- to ensure effective communication between all staff on child protection issues;
- to set down the correct procedures for those who encounter any issue of child protection.

'Safeguarding', is not just about protecting children from deliberate harm. It encompasses issues for schools including:

- pupil health and safety
- bullying
- racist abuse
- harassment and discrimination
- use of physical intervention / safe handling
- meeting the needs of pupils with medical conditions
- providing first aid
- drug and substance misuse
- educational visits
- sex and relationship education
- internet safety
- school security
- the welfare of learners on extended vocational placements

At St Helen's Catholic Primary School, we have separate policies within which we aim to address many of the above areas. We have a Health & Safety Policy that addresses many of the areas including security, pupil welfare and educational visits; we also have a separate Anti Bullying Policy, Racial Equality Policy and eSafety Policy.

St. Helen's Catholic Primary School fully recognises the contribution it makes to Safeguarding Children and Young people.

There are three main elements to our policy:-

1. Prevention through the teaching and pastoral support offered to pupils;
2. Procedures that clearly outline the expectations of all parties within a Safeguarding agenda for identifying and reporting cases, or suspected cases, of abuse, concern and or vulnerability. Because of our day to day contact with children school staff are well placed to observe the outward signs of abuse; and
3. Provide support to pupils who may have been abused, give a cause for concern or are vulnerable.

This policy applies to all staff and volunteers working within the school. Additionally this policy applies to all occasional workers, volunteers, contractors and governors. All adults on school site must be aware of the schools Safeguarding Policy as any adult as well as teachers can be the first point of disclosure for a child.

Within this school the Head Teacher retains overall responsibility for Safeguarding. The Named Senior Officer for Safeguarding in the Learning and Skills Directorate is Dorian Davies (01446 709180).

Key safeguarding personnel within the school are:
The Designated Person Safeguarding

- Mrs Kathy Giernalczyk (Headteacher)
- Mrs Michelle Clawson (Deputy Headteacher) Key Stage 2 Site

The Deputy Designated Person Child Protection

- Mrs Emma McCallum (Foundation Phase Site)
- Mrs Katy Galsworthy (Key Stage 2 Site)

- The Link Governor for Child Protection – Mr Fred Johnson

(Appendix B outlines the detailed roles and responsibilities of each post)

2: PREVENTION

We recognise that high self-esteem, confidence, supportive friends and good lines of communication with a trusted adult helps to safeguard pupils.

The school will therefore:-

- a) establish and maintain an ethos where children feel secure and are encouraged to talk, and are listened to;
- b) ensure children know that there are adults within the school whom they can approach if they are worried or in difficulty;
- c) include in the curriculum, activities and opportunities for PSE which equip children with the skills they need to stay safe from abuse or exploitation, both in their own communities and the cyber community, and to know to whom to turn for help; and
- d) include within the curriculum, material that will help children develop realistic attitudes to the responsibilities of adult life, particularly with regard to childcare and parenting skills.

All staff demonstrate a total commitment to Child Protection. They raise children's awareness of themselves through the Foundation Phase area of learning Personal, Social Well-being and Cultural Diversity and develop a trusting climate so that children feel able to talk and share their thoughts and feelings. We also help to develop appropriate attitudes in our children and make them aware of the impact of their decisions on others. We also teach them how to recognise different risks in different situations, and how to behave in response to them.

In our school we respect our children. The atmosphere within our school is one that encourages all children to do their best. We provide opportunities that enable our children to take and make decisions for themselves.

We recognise that abuse and neglect can result in underachievement. We strive to ensure that all our children make optimum educational progress.

3: PROCEDURES

St Helen's Catholic Primary School follows the All Wales Child Protection Procedures and all local protocols in relation to Safeguarding that have been endorsed by the Vale of Glamorgan Safeguarding Children Board.

St Helen's Catholic Primary School School has:

- Designated senior members of staff for Safeguarding Mrs Kathy Giernalczyk, Headteacher and Mrs Michelle Clawson who have undertaken the appropriate training and two deputies, who will substitute in the designated person's absence Mrs Emma McCallum (Foundation Phase Site) and Mrs Katy Galsworthy (Key Stage 2 Site).
- Appropriate arrangements for the support and training of both the Designate and the Deputy Designate. Both members of staff attend training provided by the authority.
- Provided training for all staff regarding:
 - i. Their personal responsibility;
 - ii. The agreed local procedures;
 - iii. The need to be vigilant in identifying cases of abuse; and
 - iv. How to support a child who discloses abuse.
- Ensured that every member of staff and every governor knows:-
 - i. The name of the designated person and their role; and the shadow arrangements in place.
 - ii. That they have an individual responsibility for referring child protection concerns using the proper channels and within the timescales laid down in the All Wales Child Protection Procedures;
 - iii. How to take forward those concerns with the Shadow DSP Safeguarding when the designated person is unavailable.
- Ensured that members of staff are aware of the definition of abuse and neglect (Appendix C), and the need to be alert to signs of abuse; knowing how to respond to a pupil who may disclose abuse (Appendix D);
- Ensured that parents have an understanding of the responsibility placed on the school and staff for child protection by setting out its obligations in the school prospectus;

- A clear understanding that the local Children’s Services team must be contacted immediately if:
 - A pupil known by the school to have current involvement with Social Services is excluded either for a fixed term or permanently; and
 - A pupil known by the school to have current involvement with Social Services has an unexplained absence.

- Worked to develop effective links with relevant agencies and co-operated as required with their enquiries regarding child protection matters including attendance at initial and review child protection conferences, core groups, and submitted written reports to such meetings as required;

- Written records of concerns about children, even where there is no need to refer the matter to social services immediately;

- Ensured all records are kept secure and in locked locations and that children’s files are kept individually in line with the guidance on safeguarding file composition as supplied by the Directorate of Learning and Skills (Appendix F). Concerns will be shared with relevant professionals involved with the child, but records will not be available without the authority of the CP Designate or the Head teacher.

- A commitment to transferring all Safeguarding information (when a pupil known by the school to be on the Child Protection Register, a pupil known to have significant mental health difficulties, or a pupil known the school to be known to Social Services leaves) to the new school immediately and inform Social Services of the pupil’s transfer. The CP Designate Teacher will ensure that the receiving school is fully aware of any Safeguarding concerns and that the file is transferred in a secure appropriate manner. The Transfer of records will comply with requirements of the LA Retention and Transfer of Safeguarding Records Guidance. If the school is unable to ascertain what school the child is transferring to, the school must inform the Named Senior Officer for Safeguarding in the Learning and Skills Directorate – Mr.David Davies;

- Adhered to the procedures set out in the Welsh Assembly Government guidance circular 45/2004 Staff Disciplinary Procedures in Schools;

- Ensured that recruitment and selection procedures are made in accordance with Welsh Assembly Government guidance circular 34/2002 “Child Protection: Preventing Unsuitable People from working with Children in the Education Sector”.

- Provided all daily staff with information regarding the school Child Protection procedures including:-

- i. The name and location of the Designated Senior Person Child Protection
- ii. The name and location of the Deputy Child Protection Designate
- iii. The expectations of the school in regard to the reporting of pupil disclosures of Child Protection concerns.

4: SUPPORTING VULNERABLE PUPILS AND THOSE WHO ARE AT RISK

St Helen's Catholic Primary School recognises that children who are at risk, suffer abuse or witness violence may be deeply affected by this.

This school may be the only stable, secure and predictable element in the lives of children at risk. Nevertheless, when at school their behaviour may be challenging and defiant or they may be withdrawn.

The school will endeavour to support the pupil through:-

- a) the content of the curriculum to encourage self esteem and self motivation (see section 3 on Prevention);
- b) the school ethos which:
 - i. Promotes a positive, supportive and secure environment; and
 - ii. Gives pupils a sense of being valued (ref. Section 3 on Prevention)
- c) The school's behaviour policy is aimed at supporting vulnerable pupils in the school. All staff agree on a consistent approach which focuses on the behaviour of the offence committed by the child but does not damage the pupil's sense of self worth. The school will endeavour to ensure that the pupil knows that some behaviour is unacceptable but s/he is valued and not to be blamed for any abuse which has occurred;
- d) Liaison with other agencies who support the student such as Social Services, Child and Adolescent Mental Health Services, the Educational Psychology Service, Behaviour Support Services and the Education Welfare Service;
- e) Keeping records and notifying Social Services as soon as there is a recurrence of a concern.

When a pupil on the child protection register leaves, we will transfer information to the new school immediately and inform Social Services.

5: BULLYING

St Helen's Catholic Primary School's policy on bullying is set out in a separate document/the school's behaviour policy and is reviewed annually by the governing body.

6: PHYSICAL RESTRAINT

The Local Authority Policy on The Use of Physical Intervention and is adopted and reviewed annually by the governing body.

Any allegation of inappropriate physical intervention with a child must be reported in line with the guidance in this policy (Allegations Against Staff Section 11).

The school will ensure that every physical restraint is appropriately recorded and reported to the Local Authority following their guidance. Records of physical interventions are kept on pupil files and can be made available to parents on request.

7: CHILDREN WITH STATEMENT OF SPECIAL EDUCATIONAL NEEDS

St Helen's Catholic Primary School recognises that statistically children with behavioural difficulties and disabilities are most vulnerable to abuse. School staff who deal with children with profound and multiple disabilities, sensory impairment and/or emotional and behaviour problems need to be particularly sensitive to signs of abuse.

8: SAFE USE OF THE INTERNET AND DIGITAL TECHNOLOGY

St Helen's Catholic Primary School recognise that in a modern learning environment, use of the Internet, multimedia devices and digital imaging facilities are part of everyday requirements. However, pupil safety will remain the priority of the school.

All staff are aware that any items that have capability for use of the Internet or the creation of digital images must be used by pupils under appropriate supervision. If any such item that belongs to a member of staff is brought onto school site, it is the responsibility of the staff member to ensure that these items contain nothing of an inappropriate nature.

If there is any suspicion that any multimedia device or computer contains any images or content of an inappropriate nature, the Head or DSP Safeguarding should be informed immediately.

Social Networking Sites

Social Networking sites are part of everyday culture within the cyber environment and all staff will promote safe use of the internet to all pupils. The school curriculum will include the input of appropriately trained personnel around Internet Safety and safe use of media items. Staff will ensure that any personal use of Social Networking sites does not in any way impinge upon the school or their professional standards. Any concerns regarding a staff member's conduct should be brought to the immediate attention of the Head teacher or the CP Designate.

Any inappropriate attempt by a pupil or parent to contact staff via such internet sites will immediately be reported to the Head teacher or DSP Safeguarding in order that appropriate advice can be given to pupils and parents regarding professional boundaries and pupil safety.

Permission for the creation of digital or media images

- Every parent must be requested to give specific consent for any image of their child to be recorded in school on an annual basis. Permission slips will clearly identify the range of images i.e. Photographs or digital filming/video images. In addition the permission will also be specific in listing the use of any digital or multimedia images i.e. Photographs in a local newspaper, school leaflets or posters or DVD's for sale to parents and others.
- School will issue a further request for permission if there is an opportunity for images to be produced of children that was NOT specifically listed in the initial permission request.
- The school will inform parents that photographic or digital images of children taken during school based activities i.e. school concerts are forbidden and any such images are in any case for their own personal and domestic use. They should never be posted on the internet or social networking sites. The school cannot control the use of such images taken by parents after school events, and therefore could not assure other parents of the appropriateness of that use.

9: CONTACT WITH PUPILS

- All staff, volunteers and Governors will maintain an awareness of the position they hold with the School and the perceived power of their position. All contact with pupils outside the school environment must be managed appropriately and be clearly communicated within school and to the parents/carers of the pupil. If there is a requirement to contact a pupil via telephone, parents will be informed prior to contact being made with the pupil.
- All school staff will ensure that their personal telephone numbers and contact details are not known to or used by pupils inappropriately. Should a pupil gain access to any such details the member of staff will inform the DSP Safeguarding or the Head teacher as a matter of urgency. Should any staff member, volunteer or governor become aware that outside of school time there is direct contact between adults within school and pupils that is not for school purposes, the DSP Safeguarding or Head teacher is to be informed immediately, this may result in the instigation of procedures in relation to Allegations against a Professional.

10: SAFER RECRUITMENT

All personnel working within a school will require the appropriate safeguarding checks as outlined in the schools recruitment and selection policy and the safer recruitment policy. Staff involved in the recruitment process **must** ensure they read and fully comply with both documents.

For new employees, this will include an enhanced CRB check (with the appropriate barring list check) and two satisfactory references one of which must be from the current or most recent employer/college. Additional safeguarding checks will also be

required which are outlined in the safer recruitment policy. All checks must be in place before a start date can be arranged. Separate arrangements may apply for existing employees where appropriate checks are recorded on file. Further guidance is outlined in the safer recruitment policy.

In exceptional circumstances, the applicant may start employment without the necessary safeguarding checks in place but only in cases where any delay in starting the applicant will cause risk of harm to a pupil or adversely affect the delivery of education of pupils of the school. In such circumstances, the risk assessment process, as outlined in the safer recruitment policy must be followed and suitable safeguarding measures put in place. This arrangement will only be valid for 12 weeks from the start date.

11: ALLEGATIONS AGAINST STAFF

The Teacher Unions, the Association of Directors of Social Services and the Association of Chief Police Officers, have agreed to join NEOST Guidance on practice and procedure in cases where there has been an allegation against a member of staff of abuse of trust. Guidance can also be found in chapter 4.3.6 All Wales Child Protection Procedures.

When a member of staff witnesses or receives an allegation of professional abuse against another adult who is working with children, this could include staff, volunteers, governors, occasional workers or contractors, and those staff that are not on school site but come into contact with children i.e. those who transport children to and from school, school crossing patrol etc., s/he should:

Report the matter immediately to the Head Teacher, who should:

- obtain details of the allegation in writing, signed and dated
- keep a record of dates, times, location and names of potential witnesses.
- not investigate the allegation, or interview pupils, or discuss the allegation with the member of staff, but should consider, in consultation with the Senior Officer and the Child Protection Unit, whether the allegation requires further investigation and if so by whom.
- inform the Chair of Governors
- Contact the Designated Lead Officer Dorian Davies (01446 709180) who, together with the Principal Officer for Child Protection, will give urgent consideration as to whether or not there is sufficient substance to the allegation to warrant an investigation: The outcome will either be:
 - i. without foundation
 - ii. internal disciplinary procedures
 - iii. a referral under the Child Protection procedures

N.B. if the latter is the case the Principal Officer will discuss the allegation with the Police Child Protection Unit. This discussion may lead to a decision to hold a strategy meeting.

Should the case be referred under the Child Protection Procedures the investigation will be informed by the guidance in “Working Together” and the All Wales Child Protection Procedures, which recommend that there should be a strategy discussion to plan the investigation and any subsequent action.

If the Head Teacher is unsure about whether a case should be formally referred s/he may seek advice and support from the Designated Lead Officer.

If Head Teacher is the person against whom the allegation is made, the member of staff must consult with the Designated Lead Officer David Davies, (01446 709180) who will discuss the allegation with the Child Protection Unit.

Governing bodies are responsible for dealing with staff disciplinary matters in all maintained schools. A governing body is required to adopt rules and regulations to regulate the conduct and discipline of all staff it employs or has day-to-day responsibility for (except certain ancillary staff). Welsh Assembly Government guidance circular 45/2004 “*Staff Disciplinary Procedures in Schools*” sets out specific advice to be followed where a child protection allegation is made against a member of staff.

Local guidance issued in October 2011 reiterated that any queries or concerns for the conduct of a professional must be referred to Children’s Services.

12: SCHOOL SITE SECURITY

St Helen’s Catholic Primary School is a safe and secure place for pupils to learn and develop learning and social skills. The physical safety of pupils when on school site is of paramount importance. Access to the school site is strictly monitored and reviewed in line with the Local Authority guidance on the Health and safety of school premises. The School’s Health and Safety Policy is available to review on request from the Head teacher.

All daily contractors to our site are requested to sign in and out of school premises. They will clearly list the company for whom they work and the reason for their visit. As a daily contractor is unlikely to have a CRB disclosure available to be viewed by the school, an alternative method of risk assessment will be employed. A risk assessment is formulated by the School, using the Daily Contractors Log sheets, which clearly list the control measures employed by the school to safeguard pupils (Appendix G).

13: CONFIDENTIALITY

St Helen’s Catholic Primary School regards all information relating to individual child protection issues as confidential, and we treat it accordingly. We pass information on to appropriate persons only.

We comply with the government requirements set out in DHS Circular LA 83/14, and by the Vale of Glamorgan, with regard to confidentiality. The Child Protection information is held in a secure, locked location. This contains information about confirmed and suspected cases of child abuse.

Information from third parties will not be disclosed without their prior knowledge and consent. Access to these files may be withheld in certain prescribed cases where there are instances of actual or alleged abuse (see DfES Circular 16/19). Working notes are not subject to disclosure but will be summarised and then kept on file. These guidelines of ours are in line with the safeguards on disclosure of information set out in the Education (School Records) Regulations 1989.

14: MONITORING AND REVIEWING

The Governing Body of St Helen's Catholic Primary School link Governor designated to take lead responsibility for dealing with child protection issues. The Governing Body also recognise their responsibility with regard to Safeguarding and Child Protection and will ensure that it is always an annual agenda item for their meetings and is part of the Governors Annual Report.

St Helen's Primary School will use the Estyn "Self-Evaluation Form for Safeguarding and Child Protection" to monitor and review their policies and procedures on an annual basis.

Appendix B: Roles and Responsibilities of the School's Safeguarding Personnel

The Designated Senior Person Safeguarding (DSP) will co-ordinate child protection arrangements within the school.

All schools must nominate a senior member of staff to coordinate child protection arrangements. The local authority maintains a list of all designated senior persons (DSPs) for child protection.

The DSP:

- is appropriately trained;
- acts as a source of support and expertise to the school community;
- has an understanding of LSCB procedures;
- keeps written records of all concerns, ensuring that such records are stored; securely and flagged on, but kept separate from, the pupil's general file;
- refers cases of suspected abuse to children's social care or police as appropriate;
- notifies children's social care if a child with a child protection plan is absent for more than two days without explanation;
- ensures that when a pupil with a child protection plan leaves the school, their information is passed to their new school and the pupil's social worker is informed;
- attends and/or contributes to child protection conferences;
- coordinates the school's contribution to child protection plans;
- develops effective links with relevant statutory and voluntary agencies;
- ensures that all staff sign to indicate that they have read and understood the child protection policy;
- ensures that the child protection policy is updated annually;
- liaises with the nominated governor and Head teacher (where the role is not carried out by the Head teacher) as appropriate;
- keeps a record of staff attendance at child protection training;
- makes the child protection policy available to parents.

The deputy designated person(s) is appropriately trained and, in the absence of the designated person, carried out those functions necessary to ensure the ongoing safety and protection of pupils. In the event of the long-term absence of the designated person, the deputy will assume all of the functions above.

The governing body ensures that the school has:

- a DSP safeguarding who works closely with a the senior leadership team and who has undertaken training in inter-agency working, in addition to basic child protection training;
- a child protection policy and procedures that are consistent with LSCB requirements, reviewed annually and made available to parents on request;
- procedures for dealing with allegations of abuse made against members of staff including allegations made against the Head teacher;
- safer recruitment procedures that include the requirement for appropriate checks;

- a training strategy that ensures all staff, including the Head teacher, receive child protection training, with refresher training at three-yearly intervals. The DSP should receive refresher training at two-yearly intervals;
- arrangements to ensure that all temporary staff and volunteers are made aware of the school's arrangements for child protection.

The governing body nominates a member (normally the chair) to be responsible for liaising with the local authority and other agencies in the event of an allegation being made against the Head teacher.

An annual report will be submitted to the local authority about how the governing body's duties have been carried out. Any weaknesses will be rectified without delay.

The headteacher:

- ensures that the child protection policy and procedures are implemented and followed by all staff;
- allocates sufficient time and resources to enable the DSP and deputy to carry out their roles effectively, including the assessment of pupils and attendance at strategy discussions and other necessary meetings;
- ensures that all staff feel able to raise concerns about poor or unsafe practice and that such concerns are handled sensitively and in accordance with the whistleblowing procedures;
- ensures that pupils' safety and welfare is addressed through the curriculum.

Appendix C: Definitions of Abuse and Neglect

Extract from the All Wales Child Protection Procedures

To ensure that our pupils are protected from harm, we need to understand what types of behaviour constitute abuse and neglect.

'A child is abused or neglected when somebody inflicts harm, or fails to act to prevent harm. Children may be abused in a family or in an institutional or community setting, by those known to them or, more rarely, by a stranger. A child or young person up to the age of 18 years can suffer abuse or neglect and require protection via an inter-agency child protection plan (taken from All Wales Child Protection Procedures 2008).

Abuse and neglect are forms of maltreatment. Somebody may abuse or neglect a child by inflicting harm, for example by hitting them, or by failing to act to prevent harm, for example by leaving a small child home alone, or leaving knives or matches within reach of an unattended toddler.

There are four categories of abuse: physical abuse, emotional abuse, sexual abuse and neglect.

- **Physical abuse**

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or caregiver fabricates or induces illness in a child whom they are looking after. (For further details related to Fabricated Illness, please see the All Wales Child Protection Procedures 2008)

- **Emotional abuse**

Emotional abuse is the persistent emotional ill treatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate or valued only in so far as they meet the needs of another person. It may feature age or developmentally inappropriate expectations being imposed on children. It may involve causing children frequently to feel frightened or in danger, for example by witnessing domestic abuse within the home or being bullied, or, the exploitation or corruption of children. Some level of emotional abuse is involved in all types of ill treatment of a child, though it may occur alone.

- **Sexual abuse**

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, whether or not the child is aware of what is happening. The activities may involve physical contact, including penetrative or non-penetrative acts. They may include non-contact activities, such as involving children in looking at, or in the production of, pornographic material or watching sexual activities, or encouraging children to behave in sexually inappropriate ways.

- **Neglect**

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. It may involve a parent or caregiver failing to provide adequate food, shelter and clothing, failing to protect a child from physical harm or danger, or the failure to ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs. In addition, neglect may occur during pregnancy as a result of maternal substance misuse.'

Indicators of Abuse

Signs and Symptoms

This is intended as a guide. Please remember that presence of one or more factors does not necessarily give proof that child abuse has occurred.

It may, however, indicate that investigation should take place.

- Unexplained delay in seeking treatment which is needed
- Incompatible explanations
- Unexplained bruising:
- Bite Marks
- Burns and scalds
- Cigarette burns
- General physical disability
- Unresponsiveness in the child
- Soiling and wetting

Appendix D: Procedures for Staff who have Concerns about a Child

Procedures to be followed if an adult has concerns about a child

- Any action taken by any member of Staff and the named Child Protection Coordinator when dealing with an issue of Child Protection must be in accordance with the procedures outlined in the Vale of Glamorgan Safeguarding / Child Protection Policy – see Appendix A.

St Helen's Catholic Primary school has a policy of partnership between home and school, but with child abuse or suspicion of child abuse, our first responsibility is to the child. This may mean that parents are not informed or consulted in some instances.

We may not be able to prevent child abuse, but by following Child Protection Procedures, we are trying our best to protect all our children and this is our first and only responsibility.

All staff, through their duty of care, should ensure that children are kept safe and remain healthy. Suspected cases are reported, procedures adhered to and subsequent actions are left to the appropriate agencies. We also care for children who have been abused and will endeavour to support them sensitively.

Reasons for following Procedures

- It protects the child
- It avoids delay.
- It provides consistency
- It protects all staff.
- It ensures that, if further action is taken by another agency, then the school has followed the correct procedures.
- It is a statutory duty

Staff are in contact with children all day and are in a position to detect possible abuse. They must not think that by voicing concern they are necessarily starting procedures, in fact, by not voicing concerns may result in criticism.

The criteria should be that they have **'reasonable suspicion'** and under the Children's Act 1989 this definition has been extended to include **'or may suffer in the future'**.

It is very important in all cases that prompt and correct procedures are followed under the Vale of Glamorgan LEA Child Protection Procedures in compliance with All Wales Child Protection procedures.

Staff should keep in mind at all times that **the role of all school staff is to 'assist' the Police and Children's Services and NOT to undertake their own investigations.**

The reporting teacher will be told of any further action taken i.e. Children Services referred, monitor etc. If the reported case is taken up and investigated by an external agency, then any meetings, case conferences or action taken will be followed through and the teacher concerned informed.

Staff have an important role in hearing what children have to say. The school can provide a neutral place where each child feels it is safe to talk. Sensitivity to the disclosure is vital. Staff must listen carefully to what the child is saying, treat it seriously and value what is said.

The following advice for all staff is taken from the All Wales Child Protection Procedures 2008:

‘What to do if a child tells you that they or another young person is being abused:

- Show the child that you have heard what they are saying, and that you take their allegations seriously;
- Encourage the child to talk, but do not prompt or ask leading questions;
- Don’t interrupt when the child is recalling significant events. Don’t make the child repeat their account;
- Explain what actions you must take, in a way that is appropriate to the age and understanding of the child;
- Do not promise to keep what you have been told secret or confidential, as you have a responsibility to disclose information to those who need to know. Reporting concerns is not a betrayal of trust;
- Write down as soon as you can and no later than 24 hours what you have been told, using the exact words if possible;
- Report your concerns to your line manager or (if appropriate) the member of staff in your organisation with designated responsibility for child protection;
- Ensure that your concerns are immediately reported to the duty social worker at the local office. Do not delay;
- Do not confront the alleged abuser;
- Do not worry that you may be mistaken. You will always be taken seriously by social services. It is better to have discussed it with somebody with the experience and responsibility to make an assessment;
- Make a note of the date, time, place and people who were present at the discussion.’

Staff are kept fully informed of any child in their class who is on this register. Teachers must inform the Designated Teacher of any child who is causing concern.

Particularly when a child presents a marked change in behaviour.

In the event of the Designated Teacher not being available to deal with an emergency involving Child Protection issues, the member of staff will follow procedures laid out in this policy.

This procedure applies to all adults working at the school, including cleaning and catering staff.

Procedures for school based staff

All staff and volunteers working with children and young people are well placed to observe outwards signs of abuse, changes in behaviour or failure to develop. They therefore have a duty to safeguard and promote the wellbeing of pupils and comply with the All Wales Child Protection Procedures and the National Assessment Framework.

These procedures are consistent with the All Wales Child Protection Procedures and the National Assessment Framework which should be referred to for greater detail according to specific circumstances.

When a member of staff, teaching or non – teaching, is alerted to signs of abuse or neglect s/he should:

- Keep written records of concerns about children noting the date, event and action taken, even where there is no need to refer the matter to social services immediately.
- Inform the school's Designated Senior Person for Child Protection or in his/her absence the Deputy Designated Senior Person Safeguarding, Head Teacher or Deputy Head Teacher. If the decision is taken that the incident needs to be referred, the Designated Senior Person for Child Protection should make a telephone referral to Social Services by telephoning the Duty Officer on 01446 725202, or out of hours, 02920 788570. This must be followed up in writing within two working days by completing the Multi Agency Referral Form (MARF) and send to:

*The Duty Officer
Vale of Glamorgan Council, Community Services
1 Haydock House
Holton Road
Barry
CF63 4HA*

- The DSP should ensure that parental consent is gained other than in circumstances when doing so would put the child at further risk of harm.

(Advice may be sought prior to referral from the above asking for the duty desk, or the LEA Designated Lead Officer for Child Protection, David Davies, 01446 709180 / 07813 840286, or, in his absence, Jane Werrett, 01446 709147).

Following the referral the school must;

- Be kept informed of the strategy discussions and attend strategy meetings / case conferences / core group meetings as required
- Record the date, event, action taken and result of suspected child abuse and keep records confidential and secure;
- Contribute to the coordinated approach to Child Protection by developing effective liaison with other agencies and support.

Procedures for Staff who visit schools

Staff who visit schools (both centrally based staff such as the Pupil Support Service, Advisors and those providing commissioned services) may also receive pupil disclosures or gain evidence of possible abuse including neglect.

They should immediately inform their line manager, or in her/his absence the Designated Officer for Child Protection, David Davies on 01446 709180 / 07813 840286, or in his absence, Jane Werrett, 01446 709147.

This should be done without delay (same day) and a full written record made of the evidence and circumstances. (Appendix F).

They should also inform the school's DSP Safeguarding and the Head Teacher.

As the direct witness, the visiting member will be expected to make the referral to Children's Services immediately by telephone to Social Services by telephoning the Duty Officer on 01446 725202, or out of hours, 02920 788570. This should be followed up by completing a multi- agency referral form (MARF) within two working days. (This can be e- mailed by Children's Services 01446 725202).

Similarly adults employed by the Council to work with children or young people outside the school setting e.g. members of the Youth Service, should contact their line manager, or in her/his absence the Designated Officer for Child Protection, David Davies on 01446 709144 / 07813 840 286, or in his absence, Jane Werrett, 01446 709147. A full written record should be made of the evidence and circumstance.

As the adult who first raised the concern, it is the visiting member's responsibility to ensure that the school has acted upon the concerns raised. The responsibility for taking procedures further lies with the visiting member if they are not satisfied with the school's response.

It is not the responsibility of staff in school, visiting schools or working with children and young people, or in Youth settings, to investigate suspected child abuse, only to report any disclosure or apparent evidence.

1. Safeguarding Pupil Information record
2. Chronology of school concerns
3. Correspondence
4. Social Services Minutes – Conference/Core Group Minutes, LAC Review Meetings, Child in Need Planning Meetings

When a child leaves your school this confidential information must be securely transferred to the new school and signed for by the new Head Teacher or Designate Teacher. The receiving school/setting must be made aware of the existence of a Safeguarding file prior to the child transferring. If the destination of the child/young person is unknown, the Head teacher or DSP must inform the LA Designated Officer for Child Protection, David Davies, immediately.
