Dear Parent/Carer

As a school we recognise our role and responsibility in supporting pupils with medical conditions. In order to fulfil this role, we work with other healthcare professionals, eg. School Nurse and specialist practitioners, eg. Diabetic Specialist Nurse and undertake training when necessary, eg. Epi-pen training.

We need to ensure our records are up to date and identify clearly all medical conditions, eg. asthma, eczema, vision, hearing, speech and language. If your child has had any involvement, past or present, with medical professionals which may impact on your child's health, wellbeing and attendance, please complete the form below and return to school.

All of this information will be treated with the highest confidentiality under the Data Protection Act 1988.

Kind regards
Mrs M Clawson
Acting Headteacher
